GSPI

Tempus

GSPI international collaboration:

- 1997-99, 2001-2003 – participation in the Tempus projects. Social Work Educational Center was founded in GSPI.
- 2007- 2011 – participation in Erasmus-Mundus “External Cooperation Window” program. More than 20 lecturers and students continued their academic, research activities and studies in European partner Universities with 1-20 months duration.
- Since 2013 – Participation in Erasmus Mundus “INFINITY” program. 10 students and lecturers will have a good opportunity to participate in academic exchange program.

Tempus

GSPI

Since 2010 GSPI participates in 2 Tempus Projects:

1. *DIUS* – Development and Integration of University Self-Assessment System (2010-1012).
2. *PICQA* – Promoting Internationalization and Comparability of Quality Assurance in Higher Education (2010-2014).

As the result of these Projects in GSPI:

- ✓ Professionals have been trained and in 2011 the Quality Assurance Center (QAC) established,
- ✓ QAC received necessary equipment, technique and literature,
- ✓ GSPI starts the institutional self-assessment process according to the revised forms of ANQA.

Tempus

G S P I

Since 2012 GSPI participates in 3 more Tempus Projects;

- *HEN-GEAR* – “Higher Education Network for Human Capital Assessment and Graduates Employability in Armenia”.
- *ARARAT* – “ARMENIAN COORDINATION AGENCY ‘UNIVERSITY-EMPLOYER’”.
- *SuToMa* – “Development of new modules for international bachelor and master programmes in sustainable tourism management ”

Two of them (HEN-GEAR and ARARAT) aim at strengthening and making diverse University-employer/labor market collaboration.

And the aim of the third Project is making tourism management specialists due to introduction and development of separate modules.

Tempus

GSPI

What do we expect from the project –

- One of the strategic development priorities of GSPI is to enlarge international collaboration frames and multiple the works' directions.
- To get acquainted in the developing and establishing experience of the European Partner Universities in field of national and sectorial qualification framework.
- The GSPI staff and students capacity development through the awareness rising activities and trainings with the purpose to develop and establish national and sectorial qualification framework.

GSPI participation is conditioned with the expectations.

- Working Team formation, necessary space providing.
- Participation in creation activities of Higher Education Network.
- Organizing and realizing trainings for administrative, academic staff and students.
- Creating of informative literature and dissemination /also in the GSPI website/.
- Development of LO based BA/MA Sample curricula in the selected subject areas.

Tempus

GSPI

GSPI participation is conditioned with the expectations.

- Organization and coordination of the activities provided with the working plans appropriate to the timetable.
- Intermediate and final evaluation of the project works, forming and presentation of reports appropriate to the timetable.
- Dissemination of the results, which are gained during project realization in all structural units of GSPI and Gyumri other Universities.

GSPI
